RE: Filing of Habeas

Clerk I sincerely apologize for the oversized pleading before you, today. The United States District Court(s) have held they will not advocate on behalf of pro se, incarcerated litigants so I attempted to be as detailed as I could with the limited research abilities of an incarcerated litigant. Please forgive me, for the inconvenience bestowed upon you and the court. I am greatly appreciative of your service(s).

- I have enclosed three (3) **separate & distinct** habeas petition(s), [as mandated by the Rule(s) of the Court], to be filed simultaneously. I fully understand that there is a \$5.00 file fee per Habeas Petition(s) and that I owe the Clerk's Office \$15.00. Once these case(s) are filed, will you please provide me a letter with all three-case number(s). Once I have this information I will be able to process the mandatory DOC paperwork to have DOC TRUST mail the funds to the court.
- The "primary" case to be filed is the largest stack of paper and the leading case. The two other case(s) are separated in envelope(s) with their exhibit(s) behind those envelope(s). I have stacked the smaller cases on the bottom of the primary case in the order for filing.
- Please bring to the attention of the Court the Motion(s) filed as I have included a motion to merge all three case(s) into a single appeals case to ease the burden of the court in a adjudicating my case(s).

THANK YOU SO VERY MUCH FOR YOUR ASSISTANCE.

Respectfully,

/s/ 

Brian Melson, #835327
